School Wide Title I

Columbian Elementary School is proud to be a School Wide Title I school under Federal, State and District guidelines. Title I provides resources to help ensure that all children have the opportunity to receive a quality education, resulting in their attainment of high academic standards. Title I targets resources to districts and schools whose needs are the greatest. The program is the largest federal program supporting education, and allocates its resources based upon the poverty rates of students enrolled in schools and districts. Title I focuses on: (1) promoting school wide reform in high poverty schools and (2) ensuring student' access to scientifically based instructional strategies and challenging academic content.

Parents Right to Know

In the federal *No Child Left Behind Law*, parents are guaranteed certain rights. One of these is the right to request information regarding the professional qualifications of your child's classroom teachers. This must be provided in a timely manner to you, and in a language the parent can understand. Specific information that parents may request is:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which State qualifications or licensing criteria have been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of certification or degree.
- Whether the child is provided services by paraprofessional and, if so, their qualifications.

In addition, parents must receive:

- Information on the level of achievement of the parent's child in each of the State academic assessment.
- Timely notice that the parent's child has been assigned, or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

2017 – 2018 Daily Schedule

School Dismissed.....3:10 p.m.

Arrival Time at School

Students are not to be on school grounds until 7:50 a.m. (this includes the playground). There is no supervision for students prior to this time. Parents: Sending your child to school prior to 7:50 a.m. places them at-risk for encountering dangerous situations/problems. Students are expected to leave school grounds by 3:20 p.m. there is no supervision at this time.

Recess and Lunch Schedule

Lunch and Recess sessions for K-5 will be provided in 40 minute intervals. Students will have 20 minutes of recess followed by 20 minutes to enjoy their lunch with their classmates. All students will be expected to learn and utilize their manners and share social time pleasantly with each other.

Attendance

We all recognize that while children learn at differing rates, their chances of formal learning are almost nil if they are not in school. Legitimate excuses for absence are personal illness, religious activity, death in the family, and suspension. After 3 consecutive absences, students will be required to submit a doctor's note in order for absences to be excused. If a doctor's note is not provided all absences will be unexcused. The Colorado School Law is so emphatic on good attendance, that it contains provisions for court hearings against parents who fail to keep their children in school (Colorado School Law). If you want your child excused during the school day for a doctor or dentist appointment, please send a note stating the time you think he/she will return. It will be of great help to the school if you will call at the beginning of the school day when your child is ill. If you have no phone, a note briefly explaining the absence will be of great help in completing records. Parents/guardians are responsible for notifying the school when their child is absent. If we are not contacted, **it is considered an unexcused absence. Any child arriving late or leaving early will be marked unexcused unless a doctor's/dentist's note is provided.** Over sleeping is not an excuse.

Excused Absences

Columbian Elementary School and Pueblo City Schools will continue the following provisions for excused absences for the 2017-2018 school year:

A student who is temporarily ill or injured or whose absence is approved by the administrator of their school of attendance on a prearranged basis may be excused. Prearranged absences shall be approved for appointments or circumstances of a serious nature only which cannot be taken care of outside of school hours or an out of town educational experience that is prearranged so long as the student is in good standing. Prearranged absences for out of town educational experiences, not to exceed 3 school days shall be considered for students who meet the following criteria:

- a. Student is in good academic standing (passing all classes with a C average).
- b. Student has no unexcused absences and no unexcused tardies.
- c. Student has 5 or fewer excused absences for the school year.

It will be of benefit to students if parents will check with teachers before withdrawing children for vacations during the school year.

Unexcused Absences

An unexcused absence is defined as an absence that is not covered by one of the above exceptions. Each unexcused absence shall be entered on the student's record. The maximum number of unexcused absences a student may incur before judicial proceedings are initiated to enforce compulsory attendance is 4 in any one month and/or 10 during the school year. NOTE: Senate Bill No. 140 - Parents will be required to sign District Memo referring to unexcused absences.

Tardy Procedure

Because of the disruptive nature of tardiness and the detrimental effect upon the rights of the non-tardy students to uninterrupted learning, excessive tardiness will be addressed through Pueblo City Schools policies. Students are to be in class by 8:00 a.m. All tardies are unexcused unless the student has a doctor's excuse.

Leaving School Early

We believe that attendance is very important at Columbian, therefore, removing your child from school before the day's end is highly discouraged. However, we understand that sometimes circumstances arise that cannot be avoided. If possible, please schedule appointments after school. Students who leave before the end of the day must be checked out in the office by an adult (over the age of 18) listed on the student's enrollment card. Students leaving prior to the bell will have time reflected on report cards. **Children will not be dismissed early and allowed to walk home. If you want your child early, you must pick them up in person.**

School Choice Checklist

Families who wish to enroll their student(s) in a school other than their neighborhood school must complete a School Choice Application. Follow the 3 steps listed below to choose the right school.

1. Locate and visit your neighborhood school.
2. Discuss and explore other public school choices as a family, and visit schools of interest.
3. Apply for School Choice.

School Choice Application – Visit the School Choice page of the PCS Web site at www.pueblocitieschools.us for information and access to the Pueblo City Schools School Choice Application.

Homework

Prompt return of completed homework is expected of all Columbian students. Much of a student's grade is dependent upon the completion of homework. Homework is selected by teachers to fit the subject area and developmental levels of the students and provides independent practice of skills taught during the day. We encourage parents to provide a homework/study area, study supplies, study schedule and assistance as appropriate. Homework should take an average of forty-five minutes to one hour nightly. Students not completing homework may be kept after school. If you have any questions, please visit with your child's teacher.

Make Up Work

It is the responsibility of the absent student to ask for and complete work missed during an absence. **If a student is going to be absent for more than two days**, the parent should contact the school in the morning to ask for make-up work that will be picked up after school. If you call for homework, please pick it up. Often the teacher goes to great lengths to write special notes and directions for the student and parent. It is your responsibility to see that the work is completed and returned to school. Students not returning make-up work by requested date may not receive credit for the assignments.

Lost and Found/Personal Items

Lost and found items are located outside the office. Students who find items have the responsibility of turning them in. Check with the school secretary for a missing item. Unclaimed items will be turned over to charity organizations at the end of the year.

The personal effects of each student such as clothing, lunches, money, school supplies, etc. are the responsibility of that student. Lost/stolen items are not the responsibility of the school. We encourage you to label items of importance with the child's name.

Cell Phone Policy

Students may have a phone with them for before and after school use *only*. All student-parent contact for messages **MUST** come through the main office. First offense – phone call home. Second offense – phone given to principal for parent pick up.

Parties at School

Columbian is a part of Pueblo City Schools Healthy Promotion Team. We provide instruction on healthy choices and healthy life styles. Because of this we would like to encourage parents to provide healthy treats (pudding cups, fruit popsicles, fruit snacks, pickles, fruit, popcorn, raisins, granola bars, ice cream, graham crackers, cereal bars, etc.) when celebrating parties at school. Please make arrangements with your child's teacher when planning class parties. Remember due to Health Department regulations items must be store bought (**no homemade items**). Parties are usually scheduled the last 10 minutes of the day.

Health Information

Immunization Requirements

Immunizations are an important part of our children's health care and Colorado law required that children going to school be vaccinated to help prevent disease. **Please see the letter and chart on pages 9 and 10 for requirements.**

IT IS THE PARENT'S RESPONSIBILITY TO FURNISH THE SCHOOL WITH A COMPLETE IMMUNIZATION RECORD. STUDENTS WHO DO NOT COMPLY WILL BE EXCLUDED FROM SCHOOL UNTIL COMPLIANCE (NO GRACE PERIOD ALLOWED).

Health Service

Columbian Elementary in cooperation with parents, physicians, and community health agencies, provide a health program directed towards the protection and promotion of the student's health. Some of the activities include:

1. All Pueblo City Schools students can access wellness centers at several locations throughout the city.
2. We provide a vision and hearing screen in the fall to Pueblo City Schools students. Parents of students being advised for further professional testing are notified by mail as to the results. We encourage parents to pursue further testing to ensure that, if there is a vision or hearing problem, it can be addressed as soon as possible.
3. Parents will be notified promptly in case of any severe illness or accident. If your child becomes ill while at school, we will take their temperature and check for nausea. If your child is vomiting/has a fever, you or your emergency contact person will be notified immediately to pick up your child. Otherwise we will allow your child to lay down for a while, before returning to class.
4. It is the responsibility of the parent to consult with the school if your child requires medication during school hours. The school cannot administer any non-prescription medications (**including cough medication**). We ask that when at all possible, prescribed medication be given before/after school. If your child requires medication during the day, you must come into our office and complete the necessary paper work. **No child should bring medications prior to making arrangements with the school.**

K - 12th Grade School Required Immunizations - 2017-18 School Year

Dear parents and guardians of students in Colorado kindergarten - 12th-grade schools:

- Colorado law requires students who attend a public, private or parochial kindergarten - 12th grade school to be vaccinated against many of the diseases vaccines can prevent. Your student must be vaccinated against:
 - diphtheria, tetanus & pertussis (DTaP, DT, DTP, Tdap)
 - hepatitis B (HepB)
 - polio (IPV)
 - varicella (chickenpox)
 - measles, mumps, rubella (MMR)

Vaccines are recommended for hepatitis A, influenza, meningococcal disease and human papillomavirus, but are not required.

- Colorado rule requires that students entering kindergarten receive their final doses of DTaP, IPV, MMR and Varicella. Students must receive 1 dose of Tdap vaccine for 6th-grade entry, even if they are under 11 years of age.
- The number, timing and spacing of the required vaccine doses is set by the Centers for Disease Control and Prevention’s Advisory Committee on Immunization Practices (ACIP). You can view parent-friendly versions of the current ACIP vaccine schedules for children 0 - 6 years of age at www.cdc.gov/vaccines/parents/downloads/parent-ver-sch-0-6yrs.pdf and preteens/teens 7 - 18 years of age at www.cdc.gov/vaccines/who/teens/downloads/parent-version-schedule-7-18yrs.pdf.
- Please take your student’s updated vaccine record to school every time he or she receives a vaccine.
- If your student cannot get vaccines because of medical reasons, you must submit an official *Immunization Medical Exemption Form* to your school, signed by a health care provider licensed to give vaccines. You can get the form at www.colorado.gov/vaccineexemption.
- If you choose not to get your student vaccinated according to the current ACIP schedule for religious or personal belief reasons, you must submit a non-medical exemption to your school. Non-medical exemptions must be submitted every year. You can either submit the state health department’s non-medical form (online or paper copy) for inclusion in the Colorado Immunization Information System (CIIS), provide a paper copy of the CDPHE non-medical exemption form to your student’s school, or submit a signed non-medical statement of exemption to your student’s school. Such a statement should include the following information: student’s full name, age or date of birth, date the exemption was submitted, the vaccines declined, and which type of non-medical exemption is being taken (personal belief or religious). If you choose to include your student’s information in CIIS, you may opt your student out of CIIS at any time. Your student’s school may ask you to also provide them with a paper copy if you submit online. You can get online and downloadable versions of the form at www.colorado.gov/vaccineexemption.
- Some parents, especially those with students who have weakened immune systems, may want to know which schools have the highest percentage of vaccinated children. Schools must report vaccination and exemption numbers (but not student names or birth dates) to the state health department by December 1 every year. Vaccination and exemption rates will be posted on the state health department website beginning in Spring 2017.
- You may want to talk to a healthcare provider licensed to give vaccines or a local public health agency (LPHA) about which vaccines your student needs or if you have questions. You can read about the safety and importance of vaccines at www.immunizeforgood.com and www.colorado.gov/cdphe/immunization-education.
- If you need help finding a healthcare provider, or finding free or low-cost vaccines, contact your LPHA, or call the state health department’s Family Health Line at 1-303-692-2229 or 1-800-688-7777. You can find your LPHA at www.colorado.gov/pacific/cdphe/find-your-local-public-health-agency.
- Please share Page 2 of this letter with your student’s healthcare provider as it provides helpful information about vaccines required for school entry per Colorado law.

Sincerely,

Colorado Immunization Branch | Colorado Department of Public Health & Environment

Notification to Access Benefits

Colorado Department of Education

School Health Services Program

The Department of Health and Human Services sponsors a program allowing our district to seek reimbursement for health-related services provided to children with Medicaid health insurance. This program helps our district to maximize federal funds for support of additional health services in our schools.

The Colorado Department of Education and the District will request parental permission to provide health related services to each child and to release and exchange medical and other confidential information, as necessary, to the Department of Health Care Policy and Financing (Medicaid), whether directly or through a contracted billing agency, for health services provided to each child after the date of this notification. Information released may include personally identifiable information, records, or information about the services which may be provided to each child. The purpose of the disclosure is to access the child's public benefits to receive Medicaid reimbursement for said services.

The District, the Department of Health Care Policy and Financing, and the contracted billing agency, if any, require my permission to send claims to Medicaid and receive payment from Medicaid for health related services as set forth in my child's IEP or IFSP.

Medicaid reimbursement for health related services provided by the district and the Colorado Department of Education will not affect any other Medicaid services for which a child is eligible. Each child will receive the services listed in the IEP regardless of whether or not a child is enrolled in public benefits. If a parent refuses to allow access to the Department of Health Care Policy and Financing, it does not relieve the District of its responsibility to ensure that all required services are provided to the child at no cost to the parent.

The granting of consent is voluntary and may be revoked at any time. If a parent later revokes consent, that revocation is not retroactive (i.e., it does not negate an action that has occurred after the consent was given and before the consent was revoked).

The District and the Colorado Department of Education will operate under the guidelines of the Family Educational Rights and Privacy Act (FERPA) to ensure confidentiality regarding each child's treatment and provision of health related services.

Communication

Parent Compact

Each child in Pueblo City Schools will receive a parent agreement to be signed and returned to their teacher. The purpose of this agreement is to involve our parents in the commitment our district is making toward providing a safe and productive school environment.

Telephone

The office is open between 7:30 a.m. – 4:00 p.m. During the school day you may leave a message or a phone number with the secretary for the teacher. **Do not ask to have a child called out of the classroom to take a phone call.** School personnel will see to it that your child gets the message at a time that will not interrupt instructional time. **Please call only for emergencies. We will not take messages everyday for a child. Please make arrangements for your child to be picked up before the child gets to school.** Student use of the telephone is limited to emergencies. After school plans must be made ahead of time.

Reporting to Parents

Students receive report cards at the end of each quarter kindergarten through fifth grades. Report cards are based on academic content standards and the proficiency levels each student reaches during the nine weeks. Columbian will conduct at least two formal conferences with every parent during the school year to discuss school/district expectations and other information relevant to your child's success in our school. Parents/guardians may access student's grades and attendance via the Parent Portal found on the Pueblo City Schools website. If you have any questions, please contact your child's teacher or the principal.

Parent/Teacher Conferences are scheduled at least three times a year to discuss Individual Learning Plans (ILP). Parents and students are encouraged to attend to discuss progress made as well as areas that may need improvement.

At the end of each semester 3rd, 4th, and 5th grade students are eligible for Merit Roll, Honor Roll, or 4.0. Letter grades are on a point system and averaged. Students with a 3.0 –3.4 may qualify for Merit Roll. Students with a 3.5 or higher grade point average (G.P.A.) are listed on the Honor Roll. Students who earn a 4.0 will be recognized at the Honor Assembly.

Resources

Book and Material Check - Out

Students may have two books checked out at a time. The books are checked out for two weeks. Each student will be assigned a numbered book and be expected to return the text in good condition. Many of our textbooks cost as much as \$50.00 each. Parents are responsible for the replacement fees for any lost or damaged books from the classroom and media center. All fines must be paid prior to students' participation in field day activities.

Internet Policy

Columbian Elementary School is linked with the Pueblo City Schools Net, which allows access to unlimited information. Every individual using school equipment and networks must submit a ***Pueblo City Schools Student Internet Contract*** signed by a parent/guardian. By signing the official contract/agreement, students and parents agree to abide by all laws and terms of the agreement. Illegal or unauthorized use of the Internet could result in legal prosecution.

Safety Information

Bad Weather

Children will be outdoors before school, after school and at lunch recess. “Red Flag” signs will be posted on the doors on the playground side of the building to let parents and students know if weather conditions are too severe to be outdoors. On “Red Flag” days the children will report to the gymnasium at 7:50 a.m. for supervision. “Red Flag” days occur when the temperature drops below 30 degrees Fahrenheit or if the weather conditions (rain, snow, etc.) pose a problem for students/staff.

Storm/Emergency

Should inclement weather or emergency situations occur which would result in the closing of schools or an adjustment to the start or dismissal times of district schools, that information will be announced by local media officials and school messenger. Parents are asked to listen to the radio and television and have emergency plans for their children in the event of such a situation.

Student Safety (Coming to School or Going from School)

Students should leave school immediately after school. They should go directly home after school. Students are to cross streets only at crosswalks and cross with the crossing guard on Northern Ave. An SRDA crossing guard is posted on Northern Ave. before and after school. There is no crossing guard during the noon hour. We will discuss safety rules at school, especially about accepting rides, and talking to strangers. We also require our bus students to follow bus rules and safety procedures. Please talk to your child about stranger safety and walk with them (your child) for a couple of days if you require them to walk home. Parents may want to consider a buddy system to help ensure the safety of all our students.

Emergencies

In cases of serious injury or illness of any child at school, the home is called first. If a parent cannot be reached at that number, the person(s) listed on the Emergency Information Card is/are called next. If no response at this number is found, emergency personnel will be contacted and the student will be transported to the hospital of your choice. Please complete the emergency/enrollment card form very carefully. Complete and accurate information is very important. **It is imperative that the school office be notified immediately of a change of address, home or office telephone number, or emergency information so we can contact someone at all times. Your child’s safety is our ultimate priority.**

Emergency Drills

To ensure the safety and welfare of all, Emergency Drills (fire, tornado, bomb) will be held throughout the school year. During an Emergency Drill, walk quickly and quietly to the designated area, and stand quietly during and after the roll call. If the child is not with a class in the event of an Emergency Drill, he/she should leave the building through the nearest exit and report to the nearest adult.

Child Abuse/Neglect

By law, schools are required to report any suspected child abuse or neglect. The Office of Social Services and Law Enforcement have the authority to conduct investigations in the schools and with students. The methods in which such investigations are conducted are within the exclusive authority of law enforcement and Social Services. Notification to parent in such cases will come from law enforcement agencies or Social Services.

Being Involved in our School

Parent Visits

Parents are always welcome to visit the school, whether you wish to visit the classroom or discuss an item with someone in the office. Parents need not restrict their visits to the Parent/Teacher conference weeks. We find students often take an increased interest in their schoolwork when parents and guardians learn more about the school program. By visiting, we can also learn of mutual expectations of the children. Face-to-face meetings also answer many of the questions that arise from children's interpretations of school happenings. Parents are encouraged to schedule a mutually convenient time with their child's teacher to discuss issues concerning their child. **These conferences times may not take place during class time, due to classroom disruption.**

In order to reduce distractions, children not enrolled at Columbian School are **NOT** permitted to visit during school time. When you come into the school, visitors must check-in at the office. We will give you a visitor's badge and ask you to turn off your cell phone. This helps to ensure the safety of our students.

Volunteers

While we welcome and encourage parents and guardians to volunteer at the school, we must insist that our students do not bring other children (relatives or friends) to schools. In accordance with Pueblo City Schools policies all volunteers must complete a "Volunteer Application". All volunteers must undergo fingerprinting procedures and background checks prior to working in Pueblo City Schools. Please contact our counselor Ms. Nickelson for more information.

Communication with the Principal, Ms. Montoya

Ms. Montoya is committed to building strong relationships with the students, staff and community members of Columbian Elementary School. If available, Ms. Montoya will meet with parents at their time of arrival. If she is not available, or out of the office, please leave a message with our school secretary, Mrs. Velasquez and Ms. Montoya will make sure to call you at her earliest convenience.

Nutritional Services

Breakfast and Lunch Program

Lunch is provided free for all students. All students will be required to complete a lunch application. Applications will be sent home with each student the first day of school. Columbian is funded by the state and district based on the information provided on the applications.

Cold lunches may be brought to school and stored in classrooms until lunchtime. Please mark names on all bags or lunch boxes. Milk and juice may be purchased in the cafeteria. Milk costs 30 cents and juice costs 25 cents. Students not eating school lunch must purchase milk/juice. **Students are not allowed to bring pop to school.** Students are also not to bring drinks in glass containers.

Universal Meals

Pueblo City Schools is participating in a Universal Lunch and School Breakfast Program for the current school year (2017-2018). If your children attend Pueblo City Schools, Pueblo School for the Arts and Sciences or Chavez Huerta Preparatory Academy, breakfast and lunch will be available to them at no charge. All students enrolled at these schools may participate in the breakfast and lunch program at no charge to them. Snack items and adult meals will be available for sale each day.

Studies have shown that children who are not hungry perform better in school. By providing lunch to all children at no charge, we are hoping to create a better learning environment for our students.

The school breakfasts and lunches that we serve follow U.S. Department of Agriculture guidelines for healthy school meals. The School Breakfast and Lunch Programs cannot succeed without your support; please encourage your children to participate in the school meal programs.

However, field trips are a privilege and can be relinquished if a child exhibits unacceptable behavior. For all trips, notes will be sent home in advance to announce the trip and any special preparations that may be necessary.

Students may be excluded from field trips if they do not have a signed permission slip or for inappropriate behaviors in and out of class. Students unable to attend will work in another class for the time the class is gone and they will rejoin their class upon their return.

Procedure for Discipline Problems

Teacher Authority and Responsibility. The teacher has the authority and responsibility to maintain discipline in the classroom consistent with district and school policy. Classroom policies and procedures will be established, announced and consistently enforced. When a problem occurs a teacher may:

- * Confer with student
- * Confer with parents and students
- * Use appropriate classroom discipline, which may include, but not limited to, removal from the group without privileges including “no recess”, as well as a conference after school
- * Refer the student directly to the principal or counselor for discipline problems that need further attention

Principal or Designee Authority and Responsibility. The principal has the authority and responsibility to maintain an atmosphere conducive to learning through a fair and consistent application of district policies and procedures. When a problem is referred to the principal, the individual referring needs to identify the problem. The principal will then proceed with one or several of the following sanctions:

- * Conference with the student
- * Conference with teacher and student
- * Conference with parent, teacher and student or any combination thereof

The principal will maintain records of student referrals for disciplinary action. The disciplinary actions may include, but are not limited to, the following:

- * Verbal consultations
- * Verbal reprimand
- * Removal from class situation for a short time
- * Notification of parents
- * Transfer possibilities
- * Suspension or other actions depending upon the individual situation

Discipline Offenses. Discipline offenses that may call for immediate action and parent contact shall include, but are not limited to, the following:

- * Physical or verbal assault on a teacher or staff member
- * Disrespect shown to any supervising adult
- * Physical or verbal assault on a student
- * Destruction of property
- * Leaving the school grounds without permission
- * Willful disobedience
- * Disruptive behavior
- * Smoking – use or possession of tobacco
- * Possession and or use of a deadly weapon
- * Scholastic dishonesty - cheating, copying
- * Substance infractions

**By showing your interest in your child’s learning and by holding high expectations for your child,
you can develop attitudes that lead to school success.**

Behavior Card

Behavior cards may be utilized as appropriate to develop daily communication with parents regarding student behavior. These cards are sent home daily and must be signed and returned the following day. Parents will be notified prior to students being placed on cards.

Due Process

Each student has the right to a fair and just hearing when the student is involved in an infraction, which may warrant disciplinary action, such as suspension or recommendation for a disciplinary adjustment transfer.

The minimum constitutional requirements of due process mandate the student be given:

1. Oral or written notice of the charges against him/her.
2. Explanation of the evidence school authorities have.
3. An opportunity to present his/her side of the story.
4. Length of time student will be excluded from school.
5. An avenue of appeal in the event student or parent does not concur with decision to suspend or transfer. Recommendations for disciplinary adjustment transfers may be appealed to the Director of Student Intervention Services. If a parent is not satisfied with the decision of that office, the matter may be appealed through Pueblo City Schools Discipline Policies.

Sexual Harassment

Sexual harassment is not acceptable behavior. Any student/parent who feels that he/she has been sexually harassed should make a report to the principal/counselor or Director of Student Support Services.

Sexual harassment may include but is not limited to:

- * Repeated remarks to a person with sexual or demeaning implications or verbal kidding, which arises to the level of sexual harassment.
- * Unwelcome touching, such as patting, pinching or constant brushing against another's body.
- * Inappropriate touching of another person's private/body parts in a way, which constitutes sexual contact, whether or not such touching occurs through clothing.

Bullying Prevention

Bullying is one or more of the following behaviors that occur to the point of interfering with a student's educational opportunities. Bullying will not be tolerated. Unacceptable behavior that interferes with the respect, responsibility and safety of students include all aspects of bullying.

If conduct is determined to be bullying, the school will take all reasonable actions to end the bullying, to prevent reoccurrence, to prevent retaliation against the student making the report and anyone participating in the investigation, and to restore lost educational opportunities to the bullied student. In addition, the bully shall be disciplined according to any applicable disciplinary policy. The bully may be suspended, expelled, or excluded according to district policy.

Please note the four types of bullying: Physical, Verbal, Relational, and Cyber. Contact the office to report any inappropriate behavior.

Social Vision: At Columbian, we are kind and respectful!
